**GIVING  
TUESDAY**

As a community built on the values of eat local, shop local, and keep it local, Giving Tuesday is an opportunity for us to extend that same spirit of support to the nonprofits working tirelessly right here in our own backyard.

These organizations strengthen our neighborhoods, serve our most vulnerable neighbors, and ensure that Donelson and Hermitage continue to thrive. While we can't list every nonprofit doing important work in our area, we want to highlight just a few whose impact is felt daily.

We encourage you to take a moment this Giving Tuesday to learn more about the nonprofits below serving our area and consider how you, your business, or your employees can make an impact—whether through a monetary donation, in-kind support, volunteer hours, or simply spreading the word.
