

SCOREBOARD

Scoreboard Opryland is a locally owned sports bar and live music venue located directly across from Gaylord Opryland and the Grand Ole Opry. We're known for Nashville hot chicken, BBQ, wings, pizzas, and family-friendly comfort food served alongside one of the best game-day atmospheres in town. With 65+ TVs, a spacious covered patio, and year-round live music, we're a go-to spot for locals, hotel guests, and teams in town for tournaments and conventions. During the holidays, we're where neighbors gather to catch the game, warm up with a cocktail, and celebrate the season close to home.
