

TENNESSEE FLIGHT TRAINING

Change your altitude with an Introductory Flight from Tennessee Flight Training! Climb into the cockpit of a real airplane with an FAA-certified flight instructor and see Middle Tennessee from a whole new perspective.

Before departure, you'll climb into the cockpit of a single-engine aircraft and sit in the pilot's seat.

After a short introduction to the flight instruments and controls, you and the instructor will take to the skies.

During the flight, you're likely to see highlights of Middle Tennessee, along with local lakes and rivers below.

It's the perfect gift for aspiring pilots or anyone who wants an experience they'll never forget!
